1. All the products comply with the requirements of Directive 2003/53/EC of the European Parliament and of the Council of 18th June 2003 amending for the 26th time Council Directive 76/769/EEC relating to restrictions on the marketing and use of certain dangerous substances and preparations (**APEO**).

2. All the products comply with the conditions of **Oeko-Tex Standard 100**, which are known to us, with regard to the limit values of substances which are

- prohibited by law such as carcinogenic dyestuffs,
- regulated by law such as formaldehyde, pentachlorophenol,
- harmful to health such as pesticides, allergy-inducing dyestuffs or tin-organic compounds etc.

3. All the products satisfy the requirements that are defined in Article 57 of Regulation (EC) No. 1907/2006 (“the **REACH** Regulation”) and we also confirm that there is no substance from the SVHC “candidate list” as per REACH definition, present in any of the products mentioned above.

4. The products fulfill the requirements regarding the chemical content stated in IOS-MAT-0010 (AA-10911-8), dated 31st May, 2007 of **IKEA** Standards.
